COLLEGE FOOSBALL TABLE

Ideal for home use, schools, clubs & communities.

This table's dimensions and features are like those of professional models but without the coin mechanism. At its core lies a potent combo of speed, weight and power, allowing you to bamboozle your opponents with sneaky flicks and deft cross-over moves, before blasting a shot into goal.

FEATURES:

- A poplar multilayer plywood table covered with plastic laminate
- An extruded anodized aluminum top forms a protective barrier from water infiltrations preserving the table from humidity and sunlight
- 16 mm diameter double chromium telescopic plated rods
- 5 mm unbreakable tempered glass playfield
- Iron legs painted and strengthened by a special triangular section

Contact us for packages, pricing and financing options including no capital opportunities.

We want to partner with you to help your business win.
